"COLLAGE: an assembly of diverse fragments."

WEBSTER'S THIRD NEW INTERNATIONAL DICTIONARY

Through the 1971 LAKON theme, "Collage", we have attempted to show that high school life is a collage of diverse events, studies, and thoughts. To say that high school life can be symbolized by a single object or event is impractical. Our years at LHS have been full of many different activities, friendships, and challenges all of which have led up to our day of graduation. In this yearbook we hope to capture all the facets of this year at LHS so that we will remember our years here as a rewarding and fulfilling experience.

LACONIA HIGH SCHOOL

Laconia, New Hampshire

SENIORS DEDICATE WITH APPRECIATION

Mr. William M. Hoban is a graduate of the University of New Hampshire. Previous to this time, he served his country during World War II and attended Washington College.

During his six years at Laconia High School, Mr. William Hoban has not only been a conscientious teacher, but has spent many hours coaching J.V. Football and Baseball. Along with his other duties he coaches elementary school basketball. This man has proven his confidence in youth by giving many hours to their physical and mental improvements.

Mr Hoban's genuine interest in preparing seniors for future years has made his Contemporary Problems classes very interesting. His friendly attitude and guidance will be remembered long after we have left L. H. S.

For his feelings toward youth and his respect for them we, the class of 1971, gratefully dedicate our *LAKON* to Mr. William M. Hoban.

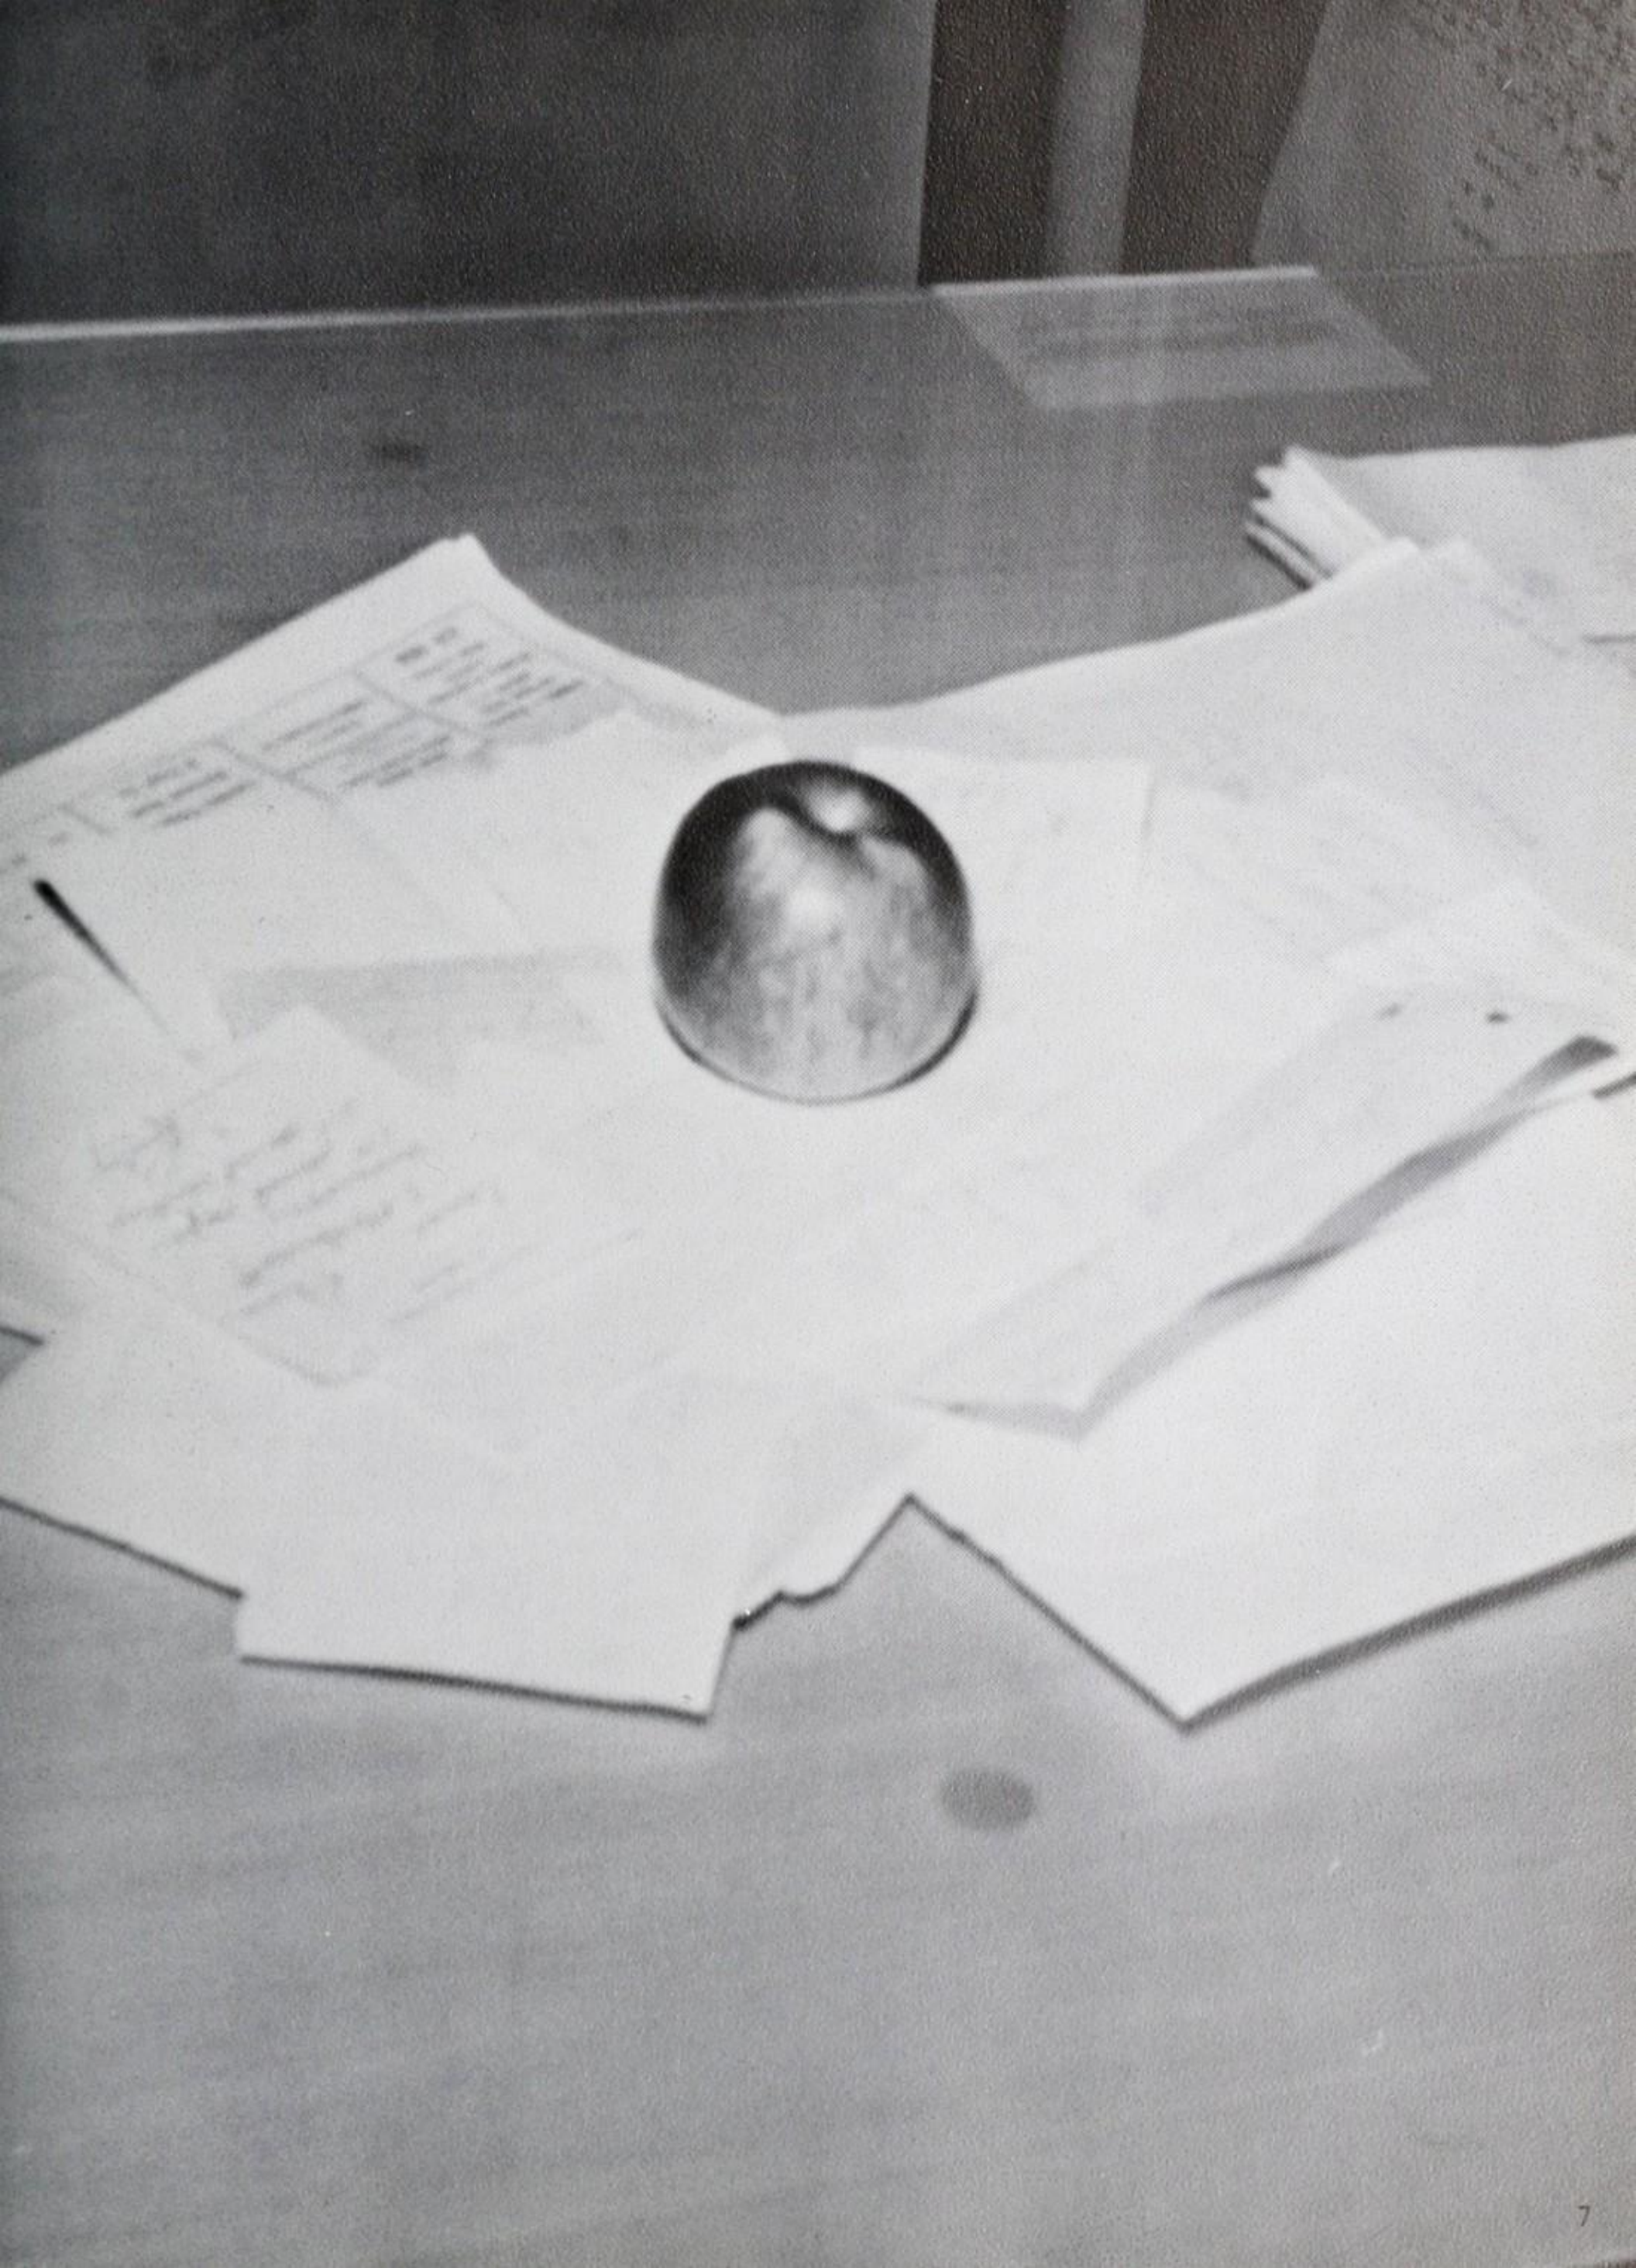
1971 LAKON HONORS LONG TIME TRACK COACH

Laconia High School has been home to Mr. Erwin G. Smith for twenty-five years. A graduate of Tufts University, Mr. Smith has attended the University of Mexico in Mexico City. As a Spanish teacher he has inspired students to continue travel and study programs in Mexico either through international programs or private contributions. L. H. S. has had several exchange students through his efforts to continue relations with other countries.

Fall, winter, and spring track find him contributing endless hours to the improvement of track athletes. Not only does he spend many hours improving the team but also spends much time helping individuals. No one has given more to build up the track program at L. H. S. than Mr. Smith.

In recognizing a man of his devotion we gratefully dedicate the 1971 *LAKON* to Mr. Erwin G. Smith.

ADMINISTRATION



1970-71 SCHOOL BOARD

Seated: Mr. John Ball, Superintendent, Mrs. Joan Veazey, Dr. Joseph Gage, Mrs. Elizabeth Farmlett. *Standing:* Mr. George Munsey, Dr. Roger Brassard, Dr. Walter Garger and Mr. Robert Irwin.

SCHOOL BOARD MEETS WITH YOUTH

The school board sponsored a meeting with the youth of the junior high for their opinions on current issues. Their main topic of discussion this year was again overcrowdedness. Various solutions were proposed, including an area school concept, divided sessions, and enlargement of the present system. The school department business rests mainly with the Harvard Street administrators, who deal with the awesome task of education for the area's many students.

Seated: Mrs. Nancy Bryant, Adult Education Director, Miss Esma Ford, Teacher Consultant. *Standing:* Mrs. Arleen Donnelly, Administrative Assistant, Mrs. Doris Thibodeau, Secretary, Mrs. May Corriveau, Bookkeeper, and Mrs. Jo Sanborn, Secretary.

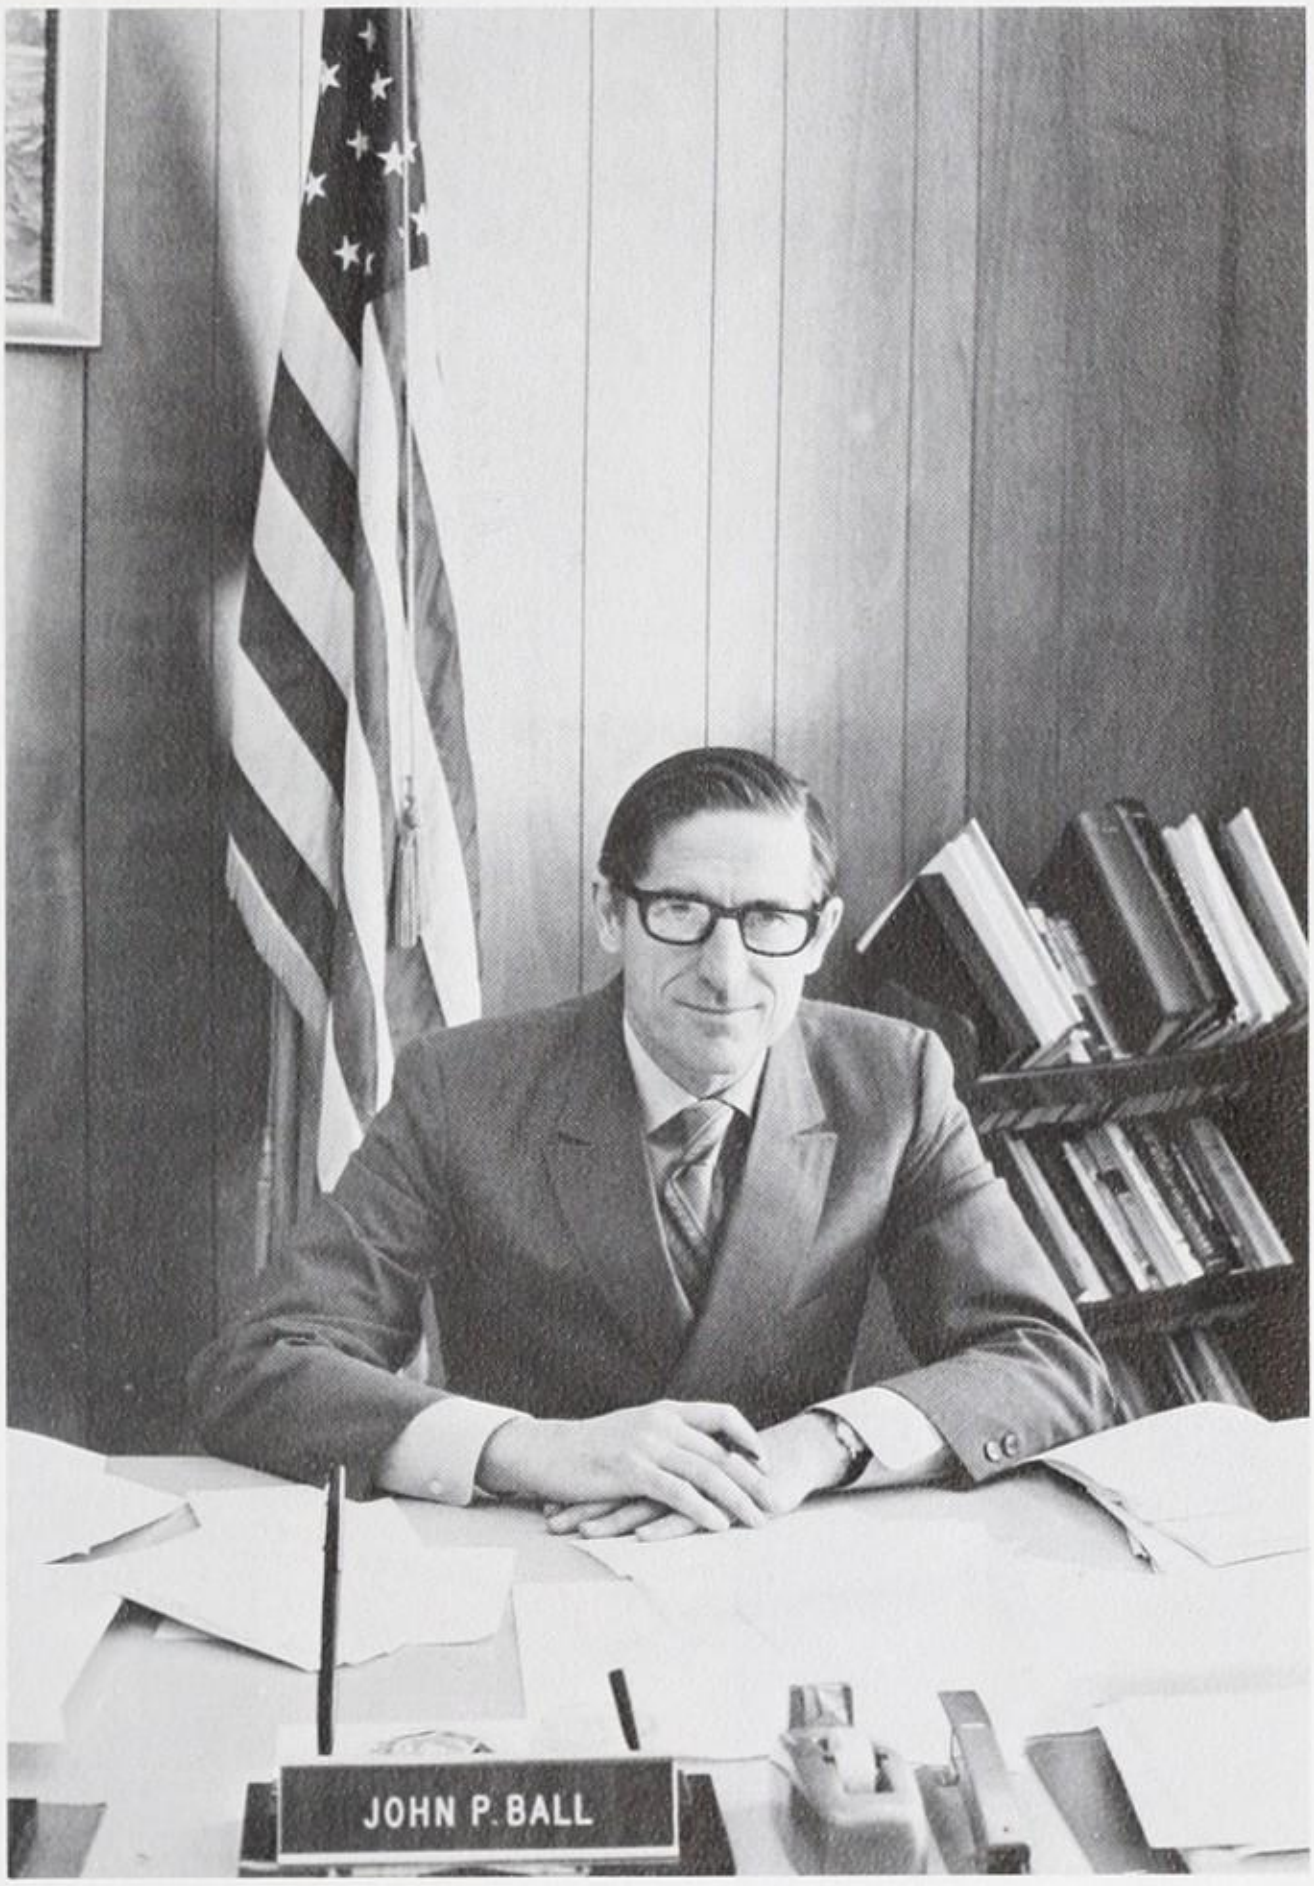
MR. BALL FARES WELL HIS FIRST YEAR

Achieving graduation is a milestone in your life for which you are to be congratulated. However, it is only a milestone and learning must continue throughout the rest of your years. Some people have never made it this far. For some this is the end of formal education. The rest will continue learning in a formal setting, but learning is never-ending no matter which group is talked about. Knowledge that you have today will be only a stepping stone to the knowledge needed for the tomorrows.

In this day and age, it is necessary for us all to take every opportunity that is offered in order to provide for a fruitful life. I urge you to not turn your back on any chance given to you to improve yourself and help your fellow man. Life is too short not to make the most of it.

John P. Ball

SUPERINTENDENT



Mr. Ball is pleased to announce an addition to the supervisory staff. The new assistant superintendent, Mr. Alexander J. Blastos will commence his duties on or about July 1. Mr. Blastos has been with the Laconia Supervisory Union for three years as principal of the Gilford Elementary School. The *LAKON* extends good wishes to Mr. Blastos in his new position.

Wouldn't you smile if you were recording grades?

Mrs. Richardson always has a smile for Lakon!

THEY MAKE THE SCHOOL TICK

The school secretaries are always busy keeping student records, transcripts, and excuses in order. They answer the telephone, sign students in and out, and in general, keep the central office running. The good health of students can be attributed to Mrs. Jones, our nurse, who gives emergency first aid and administers various health tests.

Mrs. Holland stays cool under Jim's barrage of questions!

Our Mother-away-from-home, Mrs. Jones, tackles health questions.

Mrs. Bowen's happy homecoming was LHS's loss.

Almost as soon as this message is read, many of you will be joining "The Establishment." Some of you will resist the association for a short time while you seek additional experience and education. Nevertheless "The Establishment" represents a management and a philosophy which has come under your close scrutiny and, in most cases, criticism. Now you are approaching the time when you will be in a position to make changes by legal means. The lowering of the voting age will place you in the spotlight, and those young people following you will be giving close attention to changes which you initiate.

We who will be retiring from the active work of society have had our failures, weaknesses, and inadequacies pointed out to us by you and we step aside to give you the opportunity to make a better world. We shall watch closely your contribution to science, medicine, education, and government. How will your work be evaluated by those who follow? Can you cure the mental and physical ills? Can you give us purity of lands and minds? Can you give us world peace?

PRINCIPAL

CLASS OF '71 RECEIVES GOOD WISHES

Fine people deserve good fortune. Therefore I sincerely wish it to each of you.

James N. McBride

VICE PRINCIPAL

The decisions of L.H.S. students are guided by Mrs. Griffin, Miss Stevens, and Mr. Engle. The work of our guidance counselors includes giving tests, distributing college catalogues, discussing S.A.T. scores, arranging for college interviews and publicizing scholarships. Scheduling of each pupil is also the job of the guidance department. Each student is an individual and each student is individually helped to make his future successful.

Mrs. Griffin will be remembered by many grateful students.

Miss Stevens works hard at her new job.

Members go over the pie-eating contest surveys.

The newly formed club for girls is the Astra Club, a service organization which is a branch of the Altrusa International. Under President Debbie Brassard, the club cleaned the school flags, sponsored a bake sale, and sold L.H.S. stationery. An exciting pie-eating contest with students as contestants is planned for later in the school year.

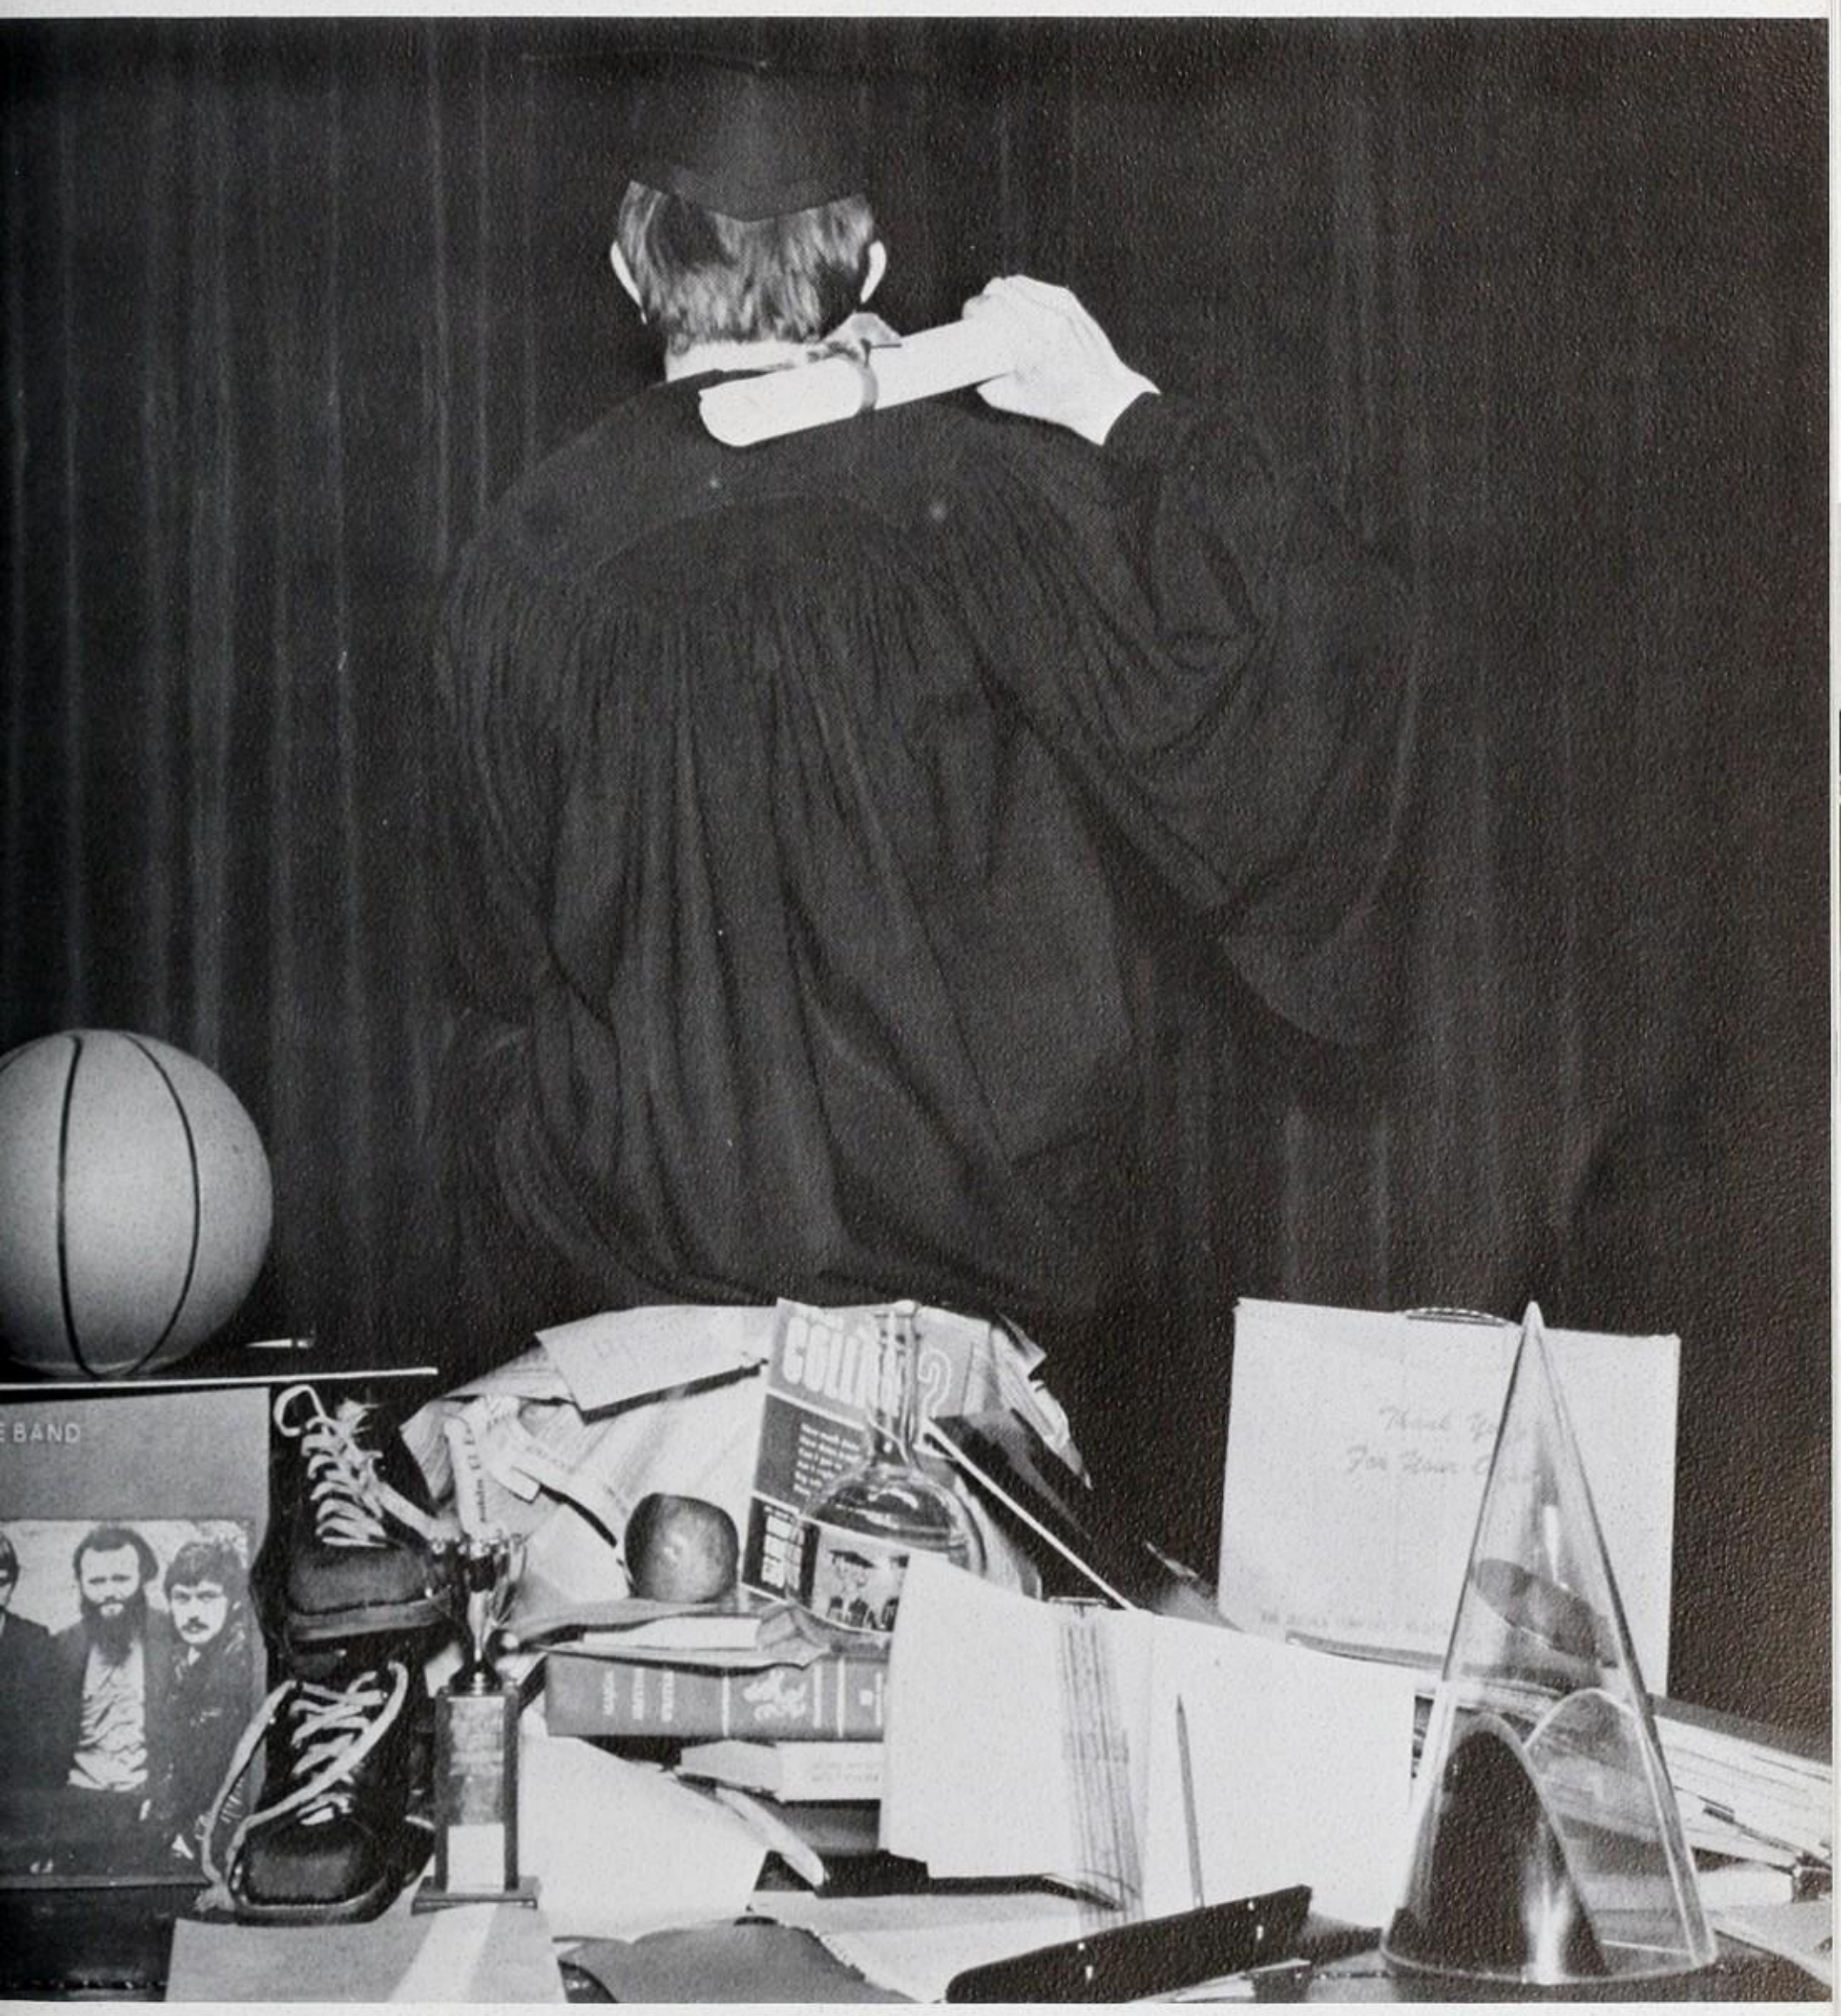
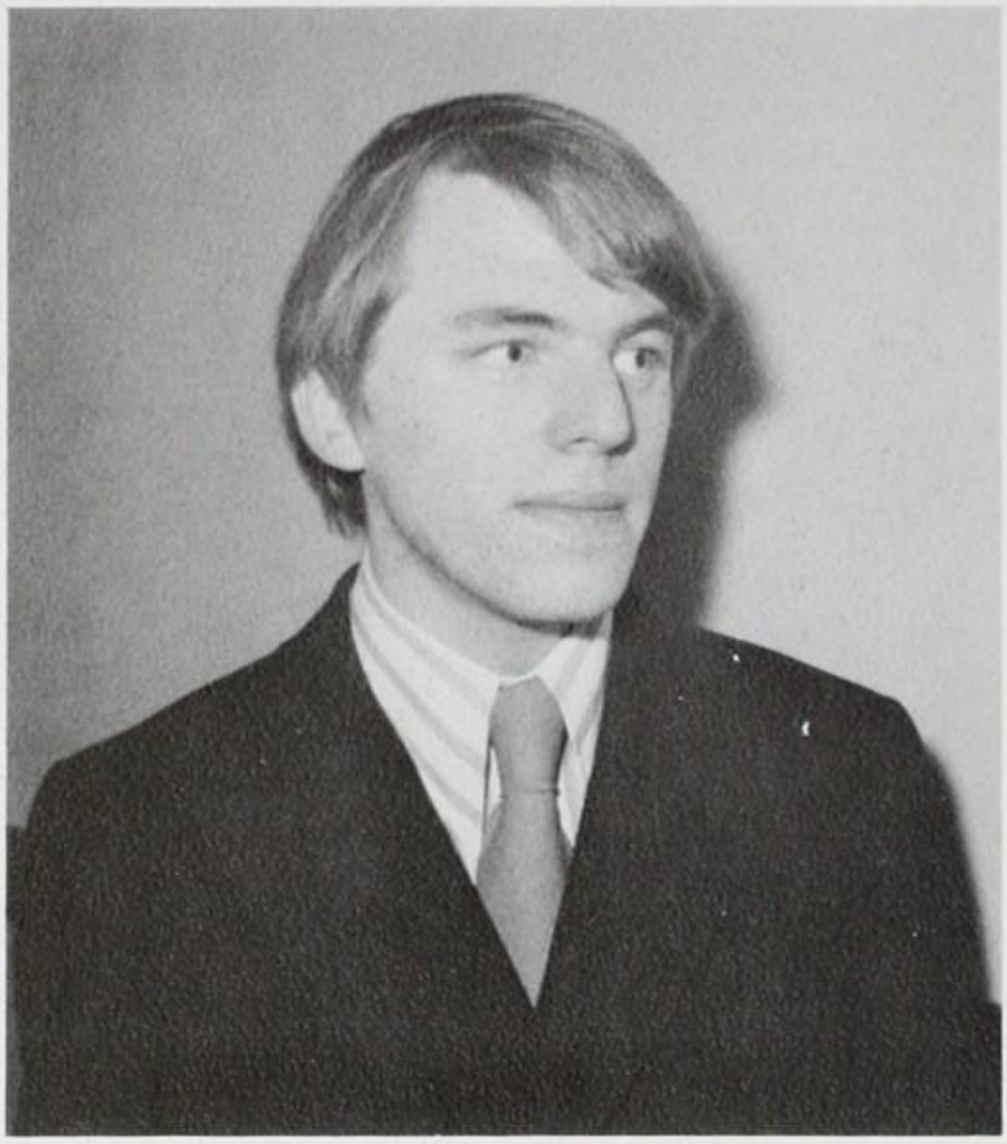
SENIORS



BAND



Throughout the past years, as students and as young adults, we have arrived at the conclusion that "nothing comes easy." This is especially true when applied to our education. It has been a difficult task to perform well as students and still enjoy life.

We have managed to pull together as a class and it has really paid off, but the hardships are not over. The time has come to apply what we have learned both scholastically and in our every day association with our fellow students, our parents, and our friends. Unity among people is important. Let's try and spread this unity when we move beyond the halls of L.H.S. We have made it work here just by being together.

Thank you for letting me be your president.

Kenneth V. Freeman

PRESIDENT

PRESIDENT AND EDITOR ADDRESS CLASS OF '71

What the future holds for all of us is unknown, but the LAKON staff has tried to put the past year into the yearbook with an outlook of fond memories. The losses, victories, and accomplishments are all part of our high school years. It is the LAKON staff's hope that this yearbook will serve as a remembrance of our years at Laconia High School — memories that will linger constant and true. As we look at the LAKON in the years to come, let us hope that we have not lost the hopes and aspirations that we set forth as seniors.

My personal thanks to all who contributed in publishing the 1971 yearbook. To compile the necessary material for a publication of this size takes many hands and I deeply appreciate the time and effort given by all.

Senior Class History

We looked forward to our busy days at LHS after having left memorable MJHS with the enchanting "Jungle Book" and the end of Mr. Harwood's first year as principal.

As sophs we lit up the scene with our light bulb sale with President Roy Barros . . . Our first Winter Carnival was snowed out . . . "Lucy in the Sky with Diamonds" was a big hit as our sophomore reception.

We started our fantastic junior year with a profitable candy sale headed by President Mark Whittemore . . . Chris Dodge and Ken Freeman took leads in "The Crucible" . . . Ken Colburn took highest honors in the National Math Exam . . . The band traveled to Montreal for its exchange concert . . . We turned the cafe into a castle and its grounds when Theresa Landroche reigned over the land of "Camelot" at the Junior Prom . . . During the summer fourteen juniors attended St. Paul's Advanced Studies Program and received a citation for compiling the best record.

As "super-smart seniors" we got off to a good start by capturing the State Football Championship under the leadership of Tom Wescott, John Davie and Bob Simoneau . . . Key Club's many worthwhile projects were accomplished under the capable leadership of President Rick Burt . . . Beth Wakeman led the Lakon Staff as Editor . . . Donna Morin, Ken Freeman, Peter Pelletier, and Debbie Brassard took the leads in "Barefoot in the Park" . . . Bonnie MacHaffie and Carol Burgess renovated the Lakonian as co-editors . . . Ken Colburn took highest honors with his essay in the "Voice of Democracy" contest . . . Janice MacAllister was voted Key Club Sweetheart at the annual Christmas Dance . . . Under President Debbie Buell the IRC Coffee House again supported a foster child . . . Six seniors became National Merit Finalists . . . The National Honor Society continued their tutorial program under Paul Genova . . . Donna Morin was named the D.A.R. Good Citizen . . . Phil Spurr organized the card sale as class vice-president . . . Joan Gozonsky was named the Betty Crocker Homemaker . . . The ski team captured their third straight State Championship . . . In April we travel to New York City for our Class Trip . . . As Seniors we reflect the many fond memories of LHS, ever ready to face the future with happiness and success.

LANGUAGES BRING THE WORLD TOGETHER

Listening is so much better than speaking.

CANDID COMMENT

LATIN: *". . . Periculae Paulinae — The Perils of Pauline. . . I enjoyed studying famous people and discussing Roman culture. . . Grammatical structure can be a pain, some of it is really complicated. . . Declensions and conjugations are kind of fun: qui, quae, quod. . . Rome had a fascinating complex civilization. . ."*

SPANISH: *". . . Discussions of various subjects are a chance to practice your Spanish and really use what you've learned. . . The films and talks about Latin American countries are a break in the class routine. . . Stories like "El Erizo y la Liebre" are a lot of fun. . . Spanish songs help teach the rhythm of the language itself. . ."*

Spanish class absorbed in lecture.

French students go over dialogue in lab.

FRENCH: *". . . The best thing was watching movies backwards. . . Learning about ancient civilization is twice as hard in French. . . Dictées are difficult. . . The independent study course is a difficult challenge. . . Reading French novels helps to broaden your vocabulary. . ."*

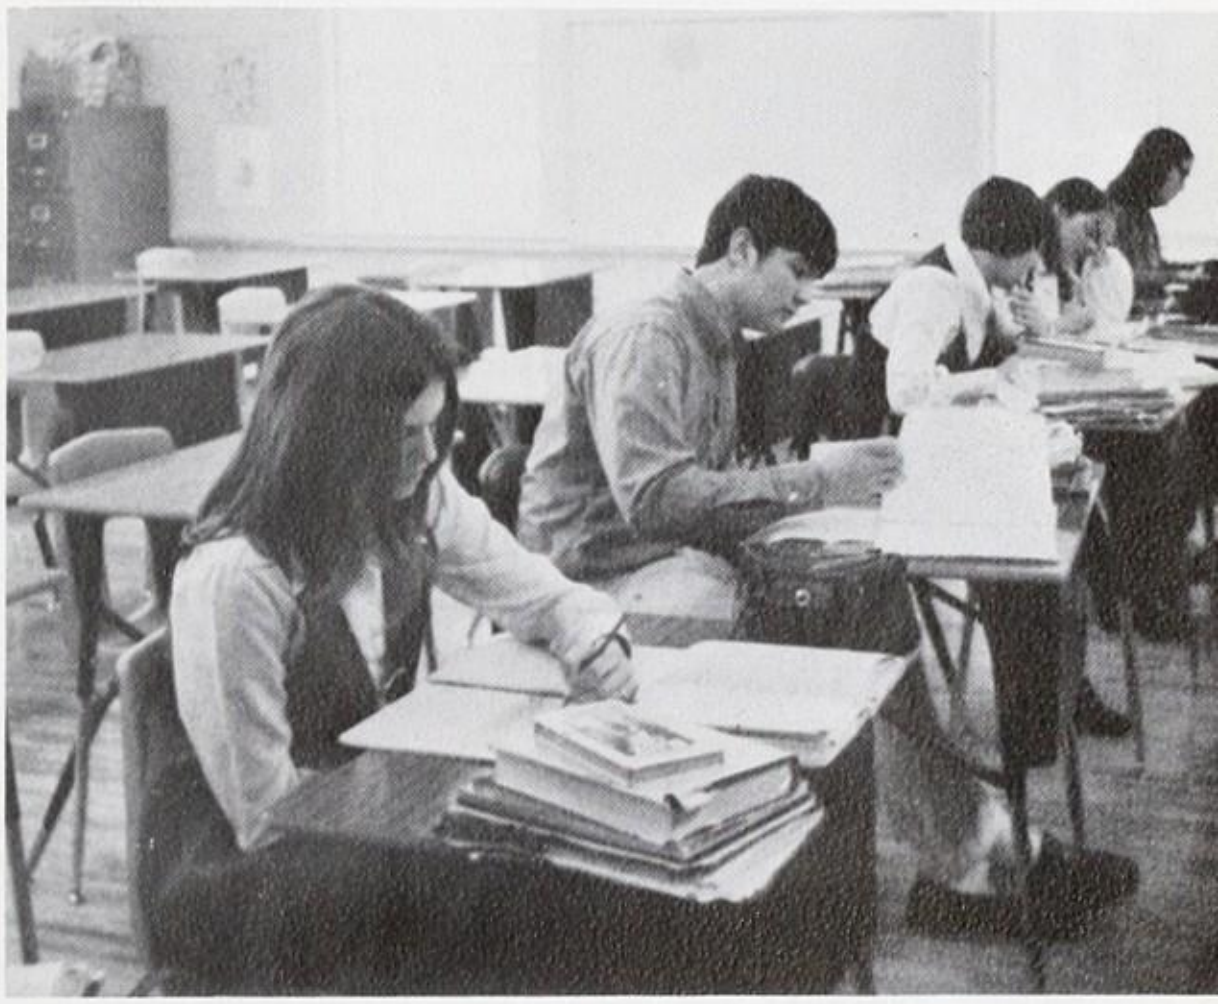
CANDID COMMENT

ALGEBRA: *". . . Logarithms are hard to understand but they do make computation easier. . . I enjoyed graphing equations and working with hyperbolas and ellipses. . . The section on roots and powers of numbers was easy but rather tedious. . . Deriving the equation for geometric progressions was really fascinating. . ."*

MATH — IT'S PLANE AND SIMPLE

GEOMETRY: *". . . Constructions are fun, they challenge you to use the theorems you've been studying. . . Logic is different, it's confusing but it has some special inner sense. . . The 103 step proofs aren't too hard once you see through them. . . Solid geometry is hard to visualize. . . It's hard to keep the different triangle theorems straight. . . Geometry proofs make much more sense than Algebra. . ."*



If x = 3 and y = 7, what is z?

Oh, no, another 276 step proof.

ADVANCED MATH: *". . . Inverse trig function graphs are great fun. . . The individual student reports on different subjects help you investigate that concept in greater depth and share your knowledge with the rest of the class. . . Non-Euclidian geometry is intriguing. . . Trigonometry is a great tool for easier calculations. . . This course gives you an insight into college mathematics. . ."*

Both students and teachers are thankful for the capable help of the janitors whether the heat is off or a door needs unlocking. They do all the odd jobs that keep the school organized and efficient. When the double bell rings, the janitors are always ready to do their job.

The cafeteria ladies work hard to serve us a delicious and nourishing meal every day. Especially appreciated is the hot homemade bread.

"G" is for Ghetto.

Laconia has a new Ghetto. The Gilford Avenue Annex, containing four classrooms, this year is being used by academic juniors. The juniors have really had some new ideas, including beautifying certain facilities, and creating SLACK. With marvelous spirit, they overcame the difficulties of no desks, kiddie chairs, and walking to and from the main building in the freezing cold. We salute you, juniors — try to rise up from the Ghetto!

Students make do with the old furniture.

COLLAGE OF L. H. S.

1970-71 *LAKON* editors: *Seated Center,* Beth Wakeman, Editor-in-chief; and Chris Dodge, Senior Co-editor. *Sitting,* Eve McDermott, Art Editor; Debbie Buell, Sales Co-editor; Bonnie MacHaffie, Senior Co-editor. *Standing,* Steve Mazzaschi, Photography Editor; Joan Gozonsky, Editorial Editor; Janet Stuart, Sports Co-editor; (*Absent,* Colleen Zelachowski, Business Editor; Karen Makris, Sales Co-editor)

Lakon's theme this year was "Collage." Working from all areas of school life, the theme was worked through division pages, layouts, write-ups and photography. In the area of sponsorships, under Business Editor Colleen Zelachowski, more advertisements were sold this year than ever before. The yearbook is guided to completion by our advisors; Mrs. Risley, Miss Parker, and Mr. Seifert. Through the efforts of Editor Beth Wakeman and her staff, this will be a yearbook to remember.

The LAKONIAN waged its own private war against inflation by lowering the price of each issue to fifteen cents apiece. The paper was received enthusiastically by the students and teachers, much to the joy of the LAKONIAN staff.

1970-71 co-editors Bonnie MacHaffie and Carol Burgess did their best to promote new ideas and variety in the paper. New "firsts" were tried this year — one interview of Bonnie and Carol on Club 135 "Background," another being the sending of two LAKONIAN representatives to the once-a-month school board meetings.

Richard and Tony get cokes ready for the half-time rush.

During the reign of Richard II, his loyal subjects, the members of the LHS Key Club, did their utmost to make the 1970-71 school year a successful one. Approximately one ton of clothing was collected for the "Save the Children Federation," and $1,000 was donated to the Lakes Region Scholarship Foundation. Spring activities include an environment campaign, a carnival and variety show, and a ride to the convention in the Key Club truck.

LHS was very well represented this past summer with fourteen juniors attending St. Paul's. Selected for high academic standing, these students completed one year's work in a chosen subject and English in six weeks of intensified study. Approximately two hundred students from New Hampshire schools attended each year. Along with the studying, many new friends were made through the experience.

L. H. S. HAS SIX FINALISTS

Six of Laconia High's seniors were recognized as National Merit Finalists this year. The qualifying test, which was given in February of the junior year, was the basis for determining semi-finalist status. Applications were made for scholarships, and the results are to be announced in June. It is unusual to have more than one finalist in a school, so Laconia High teachers and students can be proud of this achievement.

THE POLLUTION RESOLUTION IS DEBATED

Ed debates the affirmative against Joan.

The National Forensic League had a fairly active season this year. Attending tournaments at Bishop Guertin, Trinity High, U.N.H., and special varsity overnights at Dartmouth College and Holy Cross College, L.H.S. debaters argued the pollution resolution. Laconia sponsored a regional tournament in December which approximately twenty New Hampshire schools attended. Varsity members were busy judging novice tournaments and working towards the two-day debates.

I R C ADOPTS FOREIGN ORPHAN

Members discuss plans for the Coffeehouse.

The problem is — what do you do with an empty cafe?

Visits of foreign students to Laconia High School added new interest to the International Relations Club. The students came to meetings to speak and show films of their native countries. The club solicited funds for the sponsorship of a foreign orphan from service groups in Laconia, and a bake sale was also held to raise funds. Under Debbie Buell, the annual I.R.C. Coffeehouse, held in the cafe, had a big turnout. A large profit was made; enough to pay for the orphan and to get next year's club off to a good start.

Executive vice-president, Jennifer Stimac; Secretary, Anne Hoban; President, Debbie Buell, and Treasurer, Gary Morse.

LOS ACTIVIDADES ESPANOL

The theme of the Spanish Club is being seen in a new light this year. Having students from South American countries studying at our school has increased the enthusiasm and interest of students. Spanish-orientated food sales, fiestas, and banquets are being undertaken this year.

CLUB 135

Janet and Joe eagerly anticipate their cue.

Have you ever seen Mark serious?

The dual purpose of Club 135 is to acquaint students with the aspects of broadcasting and to inform the public of L.H.S. news. A great deal of knowledge and experience can be gained by participating in such an organization. The students in Club 135 provide a two hour weekly program including music interludes and school reports.

FUTURE HOMEMAKERS SERVE THE COMMUNITY

Brenda serves as model at a grooming session.

A Christmas party for children and a snow party on Valentine's Day started the year off for the Future Homemakers of America. Spring fund raising activities and Christmas and Thanksgiving food baskets were some of the services provided by the group for the needy of Laconia. Annually, the F.H.A. assists with the valuable work done by the Red Cross Bloodmobile, which visits Laconia.

CADETS HELP US TO LEARN

This year, the library cadets continued to help Mrs. Simonds after school and during study periods. The faithful workers signed out books, straightened shelves, and helped make the library an important part of scholastic life in many other ways. Funds to purchase new books and library materials were raised during the annual book sale in late November. Mr. Sullivan's assistants provided the visual aids which added so much to lectures and classwork. The new materials available to us have expanded the world of the classroom.

SACHEM SINGERS STRUM AND SING

Led by Donna, the Sachem Singers practice for the upcoming Coffeehouse.

Thursdays after school is the time and the music room is the place for the practice sessions of Laconia High's Sachem Singers. The leader of the group is Donna LaCroix, assisted by Donna Groleau. The group works mainly with popular folk music, developing their own arrangements, and is entirely student-run. This year, the Sachem Singers performed at the International Relations Club Coffeehouse, and also did a program over the air on Club 135. The group also performed for several civic organizations, including the Rotary and Women's Club.

GOOD THINGS COME IN THREES!

Kurt is California bound . . .

Following an overwhelmingly successful season under Coach Don Stephenson and assistant Coach James McCracken, the Ski Team travelled to Berlin for the annual Class A State Meet. For the third year in a row, the Sachems copped the New Hampshire title. This year, Laconia was fortunate to be chosen the host for the New England Schoolboy Championship. Our Sachems swept the Alpine events under the fantastic skiing of Kent Yale. Overall, we placed third under defending champions Edward Little High School of Auburn, Maine, and Brattleboro, Vermont High School.

Martin shows his agility at hurdling.

Doug and Mike steam down the track to capture victory.

Although the track team was never able to put it all together due to injuries and a late spring, they won the Lakes Region Meet and placed fifth in the State Meet. Laconia was well represented at the Meet of Champions, with Doug Wentworth taking third in the hundred yard dash and the always strong Sachem relay Quartet capturing second place. Perhaps the greatest tribute to the 1970 track team was that so many of its members qualified to compete in the State Meet.

CROSS COUNTRY TRAINS FUTURE CHAMPIONS

Running through the trees with the greatest of ease, the Sachem harriers, led by captain Kurt Kling, junior Jon Hildreth, and Steve Page, a former Keene star, had another successful season. Much credit goes to Coach Smith, who trains the cross-country team, but also conditions many ski team and winter track members in the process.

One injury after another marred the L.H.S. Winter Track team's quest for another state title. Led by seniors Doug Wentworth and Mike Cassavaugh, the Sachems continued to show strength in the 50 yard and 300 yard dashes. Lee Sturtevant, a newcomer on the squad, also managed to produce a few points in these events. Junior Dennis Ouellette overcame injuries, and by winning his event in the State Meet, became New Hampshire's top hurdler. Jay Baron set a new school record for the 1000 yard run, and Jon Hildreth held his own in the mile. The remaining Sachem performers, Jim Davie, Dave Miller, and Glenn Depine composed the nucleus of the very successful relay team. Although never able to all keep healthy for any one meet, Coach Smith and his team did well to place third in the State Meet.

Dennis listens intently to Coach Smith's words of wisdom.

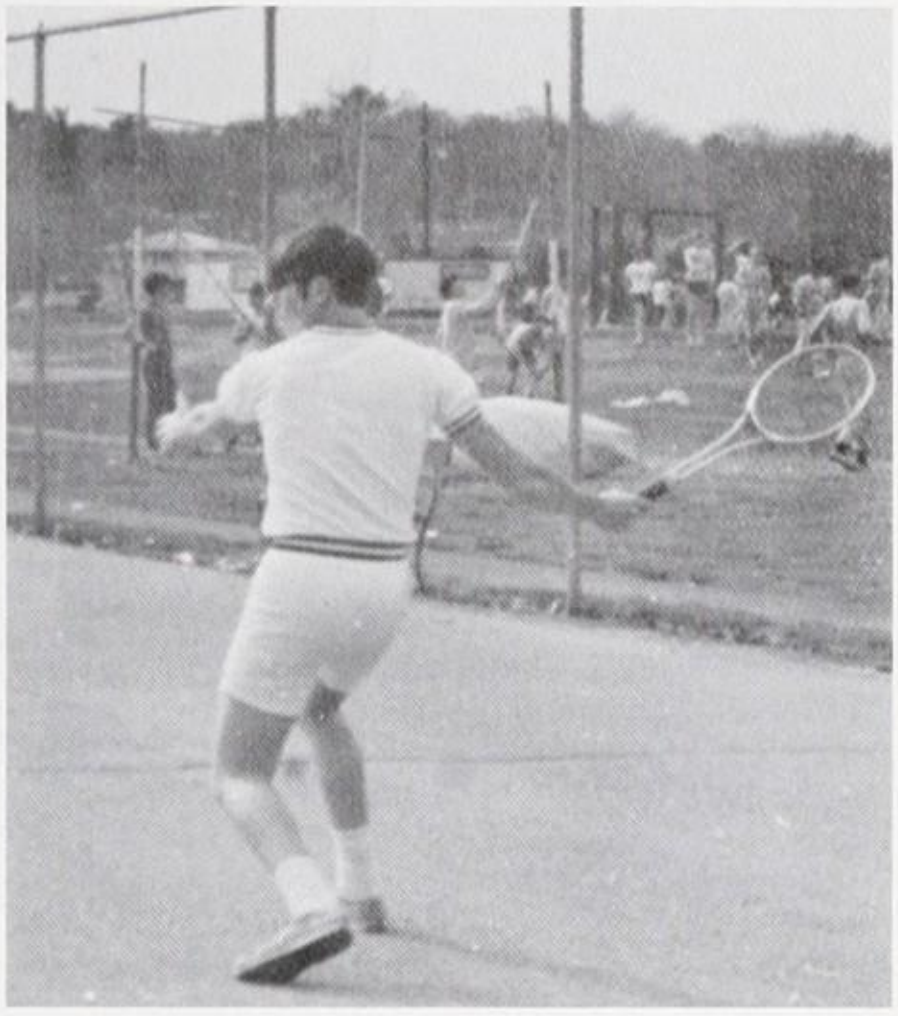
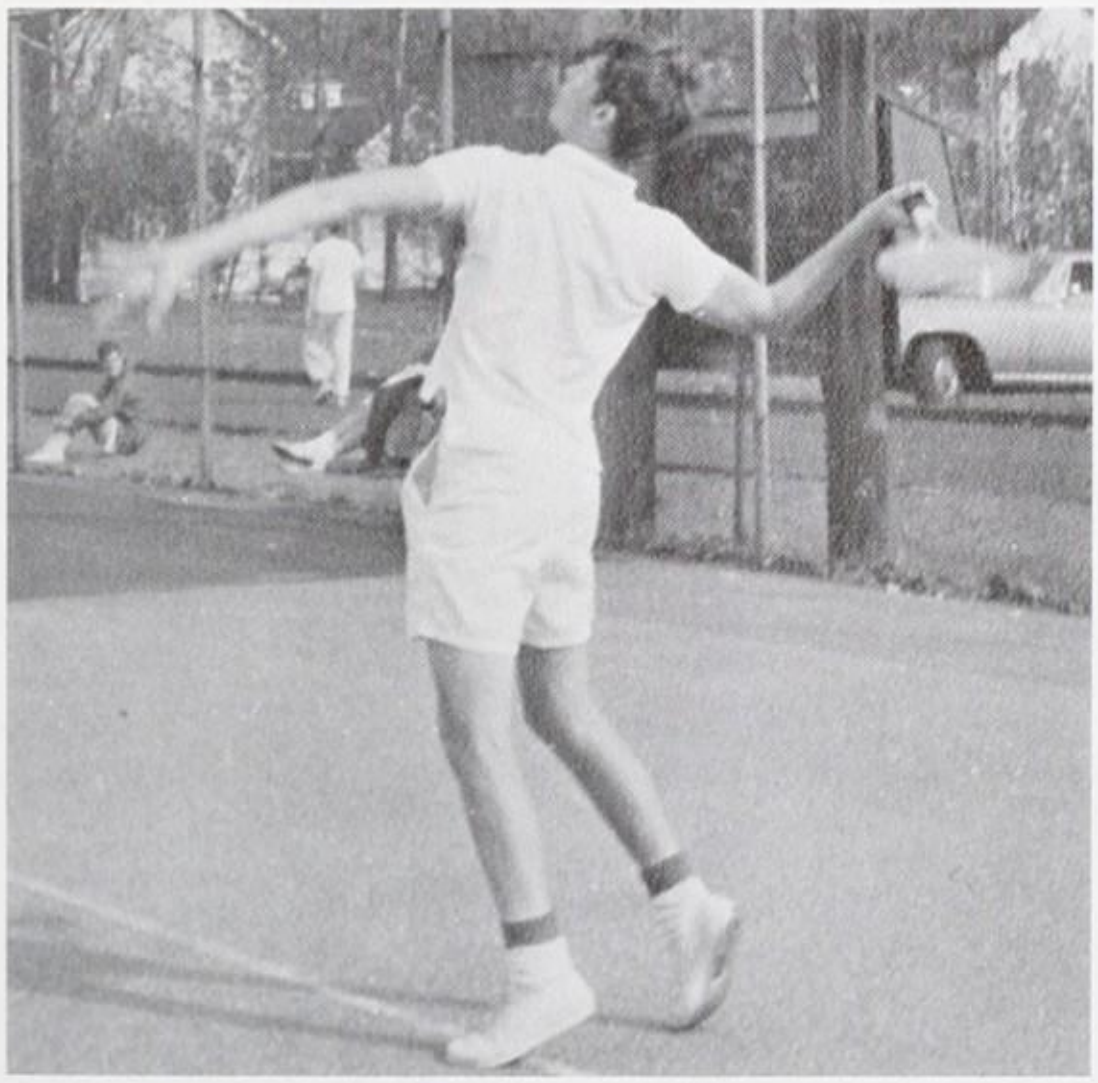
IN SPRING A YOUNG MAN'S FANCY TURNS TO TENNIS

Steve lays into one of his grand slams.



Gary concentrates on a perfect return.

The L.H.S. shovelling team led by master shoveller, Coach Russell Dumais, underwent a major transition and became the L.H.S. tennis team soon after the snow melted. Young and inexperienced, the Sachem courtmen failed to register a victory, but with a whole season of experience behind them, the netmen should show much improvement this spring.



Is it butterflies or tennis balls, Beanie?

Sophomore Lee Sturtevant shows the stuff that earned him a role as a starting pitcher for the Sachems.

It was a disappointing year for the Varsity Baseball team. They were out to maintain the best record of any Class II team in the state, an honor they had earned the year before. Eleven of their twenty-two contests were one run decisions, hopefully to be reversed this spring.

This fall's golf team proved to be one of the best ever. With all summer to practice the L.H.S. team won eight straight matches before dropping four out of the next six. Although rain sunk their hopes for a State Championship this year, next year should be different.

G. A. A. CELEBRATES MANY VICTORIES

G.A.A. pulled through this year wit an impressive 7-2-1 record in field hocke and a 6-4 record in basketball. But a l of victories seemed an only fitting than you to Miss Stevens for her invaluab coaching over the past years. And course everyone will always remembe that "We are ladies!"

CHEERLEADERS DON NEW UNIFORMS

With all new members on the J.V. squad this year, only hard work and many practices made the girls the excellent squad they were. Their high spirits helped both the JV and the Varsity teams. New uniforms brightened up the basketball games. A little ingenuity also showed up in new and interesting cheers and made the squad a good one.

Our famous field hockey team was off and running again this year to uphold their winning reputation. Three times a week the team was put through a rigorous practice session of getting the muscles back into shape and building up the endurance that this sport requires. Under the expert guidance of Miss Stevens, Laconia was able to complete the season with a 5, 2, and 2 record.

The 1970-71 girls' ski team won all meets except two. Kennett High School of Conway was the only team Laconia could not beat. At the State Meet in Hanover, Leslie Orton won the giant slalom. The Rotary Club purchased new sweaters and hats, for which the team was very grateful.

GIRLS TRY A NEW G. A. A. SPORT

Skill and perseverance are the two factors which make a tennis team. The Laconia girls' team had both and a little extra. The time and support of all the players aided us greatly in tournaments against Manchester West, Bishop Brady, and Derryfield in which we were the victors.

All right, now you've had it!

Although their batting could have been better and their swinging faster, their spirit was sensational! Even though our 1969-70 softball season was not quite sensational, Laconia's GAA managed to defeat such tough opponents as Ashland and Kingswood with scores of 25-15 and 15-10 respectively. The climax of the season came when Laconia shut out Derryfield 5-0.

THERESA REIGNS OVER LAND OF CAMELOT

1969 Queen Martha Tarte crowns the new queen, Theresa Landroche, as her escort John Colby, watches.

THE QUEEN'S COURT: Donna Morin and her escort Mark Whittemore, Jeanne Cotter and her escort Cliff Avery, Linda Nelson and her escort Dennis Ouellette, last year's queen Martha Tarte and her escort Chris Wiley, Queen Theresa Landroche and her escort John Colby, Carolyn Bailey and her escort Ted Landroche, Janet Stuart and her escort Dick Pease, and Sherry Corno and her escort Richard Levasseur.

Mark and Donna make a lovely beginning to the grand march.

A balmy night and a case of hairspray set the scene for the 1970 Junior Prom, "Camelot." The atmosphere was complete with drawbridge, King's Court, and a lovely spring garden. Our Queen, Theresa Landroche, looked radiant amidst the giant murals and crepe-patterned sky.

Work and dedication were personified in the decorations. Our "stone" walls were colored with gray powder which necessitated the many cans of hairspray!

Kurt and Beth get caught by the camera as they go through the grand march.

KNIGHTS AND FAIR LADIES OF THE ROUND TABLES

Special features of the evening were music provided by Ted Herbert's Orchestra, and a delicious light buffet served by Mr. and Mrs. St. Pierre. Following the prom, the Winnipesaukee Yacht Club was the meeting place for all juniors.

As always in "Camelot," even the weather conspired to make it a perfect weekend!

AQUARIUS FOR THE CHANGING TIMES

The sophomore class worked eagerly selling light bulbs to raise money for their annual reception. The reception was changed a little this year by allowing school clothing for dress. The changing times were reflected in the theme of the reception which was "Aquarius."

Signs of the Zodiac set the scene.

On Saturday, February 27th, members worked feverishly turning the cafe into a coffeehouse. With the Sachem Singers, Peter Gamache, George Aldrich, and popular groups from U.N.H., the audience had quite a cross-section of music.
